NOTE BY THE EXECUTIVE

to the Holders

of

PSB D-30

(August 1, 1952)

Through a typographical error, some language was omitted on page 3 of this document. Holders are requested to insert in line 14 of this page, between the words "psychological" and "developments" the following wording:

"situation than anti-communism, thus preventing full exploitation of favorable".

After making this correction, holders should attach this note to their identically numbered copies of the document.
